Create IBM Cloud Account:

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Rahitha S's Account). Below this, the main dashboard area features a 'For you' section with several service tiles. The first tile is 'Build', which includes a link to explore easy starter tutorials. Other tiles include 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'IBM Watson Internet of Things Platform' (2 min), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Incorp your pi'. At the bottom, there are sections for 'User access', 'News', and 'Planned maintenance'. The bottom of the image shows a Windows taskbar with various application icons and a system tray indicating 30°C Sunny weather and the date 16-11-2022.
